

TV Guide Magazine Archive

How to use the archive

What is the Archive?

- The archive is a collection of PDF (Portable Document Format) files representing the parts of the magazines
- The files that are displayed were created as part of the production process and represent what has gone to print
- Inserts are NOT included as we do not get an electronic file of the files for inclusion.
- The black and white sections are fully-searchable and many parts of the feature section are searchable.

What is needed

- Web browser
 - It has been tested with MSIE 6.0
- Adobe Acrobat Reader 5.0 or 6.0
 - If you do not have the latest version, submit a request to the help desk for installation of the free software
 - The Adobe Reader must also be installed as a “plug-in” to the browser to work properly
- Access to the TV Guide Intranet
 - This is not available outside the company

Connecting to the site

- Enter the web address in your browser:
 - <http://magazinearchive.tvguide.com/>
- The archive's home page will appear

Personalized Paint By Number!

You can be the next Andy Warhol, immortalizing your favorite people or pets in bold portraits!

Like a Warhol, your painting begins with a template. Send a photo of Mom, Spooky, or any person or place you choose.

Order Instructions:

- 1) Order your kit at futurememories.com or call 800-660-0366.
- 2) Receive your paint by number kit. (Includes 40 acrylic paint colors, 1 instruction sheet and 3 red-inked brushes & a phone number.)
- 3) Send in your photo. Please allow 3-4 weeks to receive your 11"x14" print by number canvas with your photo.

\$5.00 OFF! enter code: PAINT at checkout. DISCOUNT VALID ONLINE ONLY

To Order: FutureMemories.com or call 800-660-0366

Only \$59.95!

Drawing a Crowd

Family Guy's popularity keeps on repeating

According to science, if you want a man to love you, make him a family man. Fox should have known this before they killed Family Guy the classic, animated adventures of the Griffin brood. "We had developed the series before that people were really starting to know" creator Seth MacFarlane explains, "but then it was wiped. As a result, when it was coming into its own" in 2002, after three re-airings, Family Guy received by Fox and had to rest in boxes of DVDs—which unexpectedly sold in the millions. Then, when news became a surprise hit on Cartoon Network, execs at Twentieth Century Fox, which produced the show, decided to make more episodes.

New installment won't air until next year, but in the meantime the show thrives. Starting July 7, it re-peaks air on TBS. MacFarlane hosts a week of episodes on Cartoon Network July 25-29 and on July 23 and 24 the cast will do a taped reading of fan requests at the Just for Laughs festival in Montreal. Frisky, a family reunion worth attending. —Jim Golz

OK, THAT'S ENOUGH.
TURN THE PAGE.
I'M NOT A CAR
THAT LIKES TO STAY
IN ONE PLACE
FOR LONG

Blank pages are frequently seen with regional ads where multiple ads are booked for a single page

Comments or questions?

- It's possible to add additional features to the archive. If there is something that you could use, please submit a request for consideration.
- Send any other questions to the PDF wrangler at jeff.dodd@tvguide.com
